AUDIT COMMITTEE CHARTER

Revised December 11, 2024

Purpose

The Audit Committee (the “Committee”) is a committee of the Board of Directors (the “Board”) of Hennessy Advisors, Inc. (the “Company”). The primary purpose of the Committee is to assist the Board in fulfilling its oversight responsibilities with respect to the integrity of the Company’s accounting and financial reporting processes, system of internal controls over financial reporting, and external audit process. The Committee provides an open avenue of communication between management, the independent auditor, and the Board.

The Committee is also responsible for preparing the report of the Committee required by the Securities and Exchange Commission (the “SEC”) to be included in the Company’s annual proxy statement.

Composition

The Committee shall consist of at least three members of the Board. Each Committee member shall meet the independence, financial literacy, and other requirements of The Nasdaq Stock Market LLC (“Nasdaq”), the SEC, and applicable law. Each member of the Committee shall be financially literate and shall not have participated in the preparation of the financial statements of the Company at any time during the past three years. At least one member of the Committee shall, in accordance with the listing requirements of Nasdaq, have past employment experience in finance or accounting, requisite professional certification in accounting, or any other comparable experience or background that results in such member’s financial sophistication, including being or having been a chief executive officer, chief financial officer, or other senior officer with financial oversight responsibilities. In addition, at least one member of the Committee shall be an “audit committee financial expert” as defined by the SEC. The designation of any Committee member as an audit committee financial expert shall not impose on the Board, the Committee, or such member individually any greater duties, obligations, or liability than would exist in the absence of such designation.

The Board shall appoint the Committee members and designate the Chair of the Committee based upon the recommendations of the Nominating Committee of the Board. Any member of the Committee may be removed, with or without cause, by the Board.

Meetings

The Committee shall meet at least four times a year, with authority to convene additional meetings as circumstances require. The Committee shall invite members of management, representatives of the independent auditor, or others to attend meetings and provide pertinent information as necessary or appropriate. The Committee may, at its discretion, meet in executive session with or without the presence of the members of management, the independent auditor, or others.

Resources and Authority

The Committee shall have the authority, to the extent it deems necessary or appropriate, to retain independent legal, accounting, or other advisors. The Company shall provide for appropriate funding, as determined by the Committee, for payment of compensation to the independent auditor and to any advisors employed by the Committee and for any ordinary administrative expenses of the Committee that are necessary or appropriate in carrying out its duties.
